

He who dwells in the secret place of the Most High
Shall abide under the shadow of the Almighty.

I will say of the LORD, "He is my refuge and my fortress;

My God, in Him I will trust." NKJV

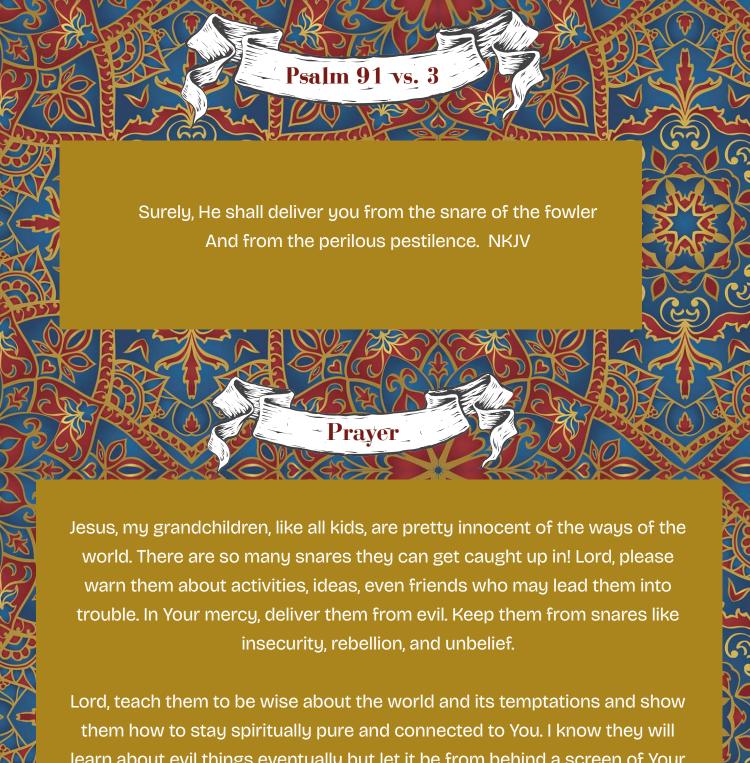

Prayer

Dear Lord,

Thank You for the promises we have of Your love and protection. I pray that my grandchildren get to know You and want to follow You for themselves. Let them be attracted to Your light and be repelled by the darkness that is life without You. I pray they will stay close to You always, not just run to You when they have trouble. Let me be a good example of how to "live in Your shadow".

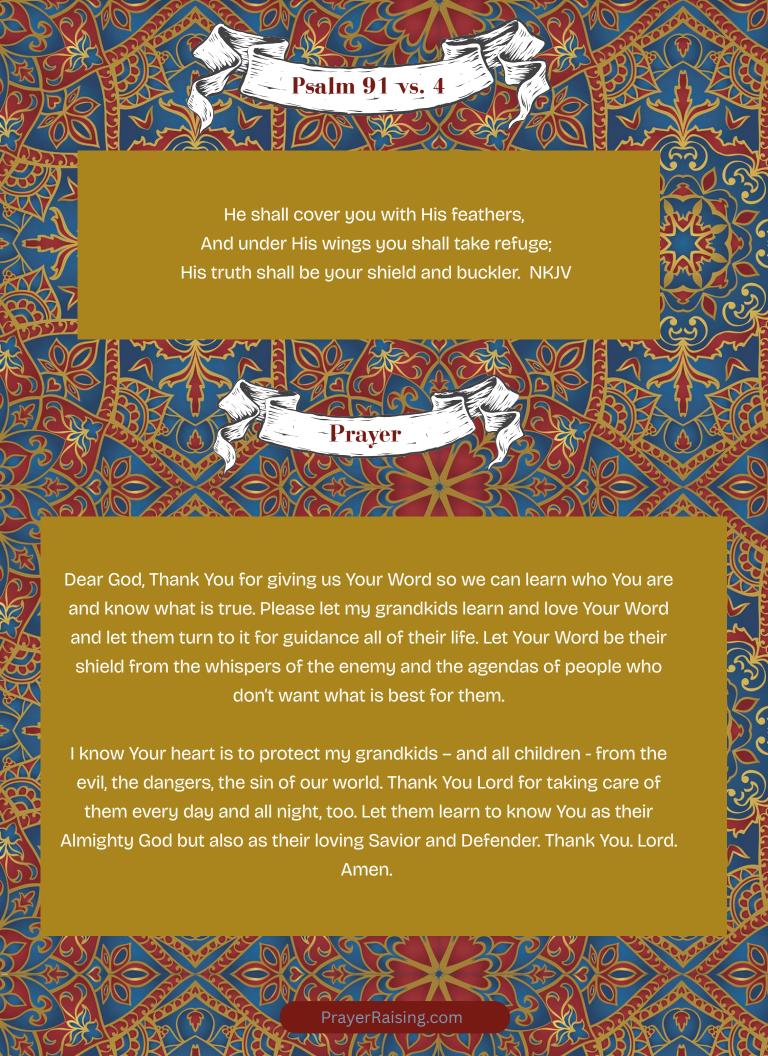

Jesus, let them know You are a safe place to turn to when they have problems. You are a safe haven when small problems come along. You are a strong fortress when the battle is fierce. Lord, please safeguard my grandkids so that any trouble they have is for their growth and wisdom.

Thank You for providing a safe place for us here in this world. Amen.

learn about evil things eventually but let it be from behind a screen of Your truth. Let them quickly reject life apart from You and the consequences it carries.

Thank You Jesus, that You are able and willing to protect my grandkids and I pray that You will be a safeguard around them. Amen.

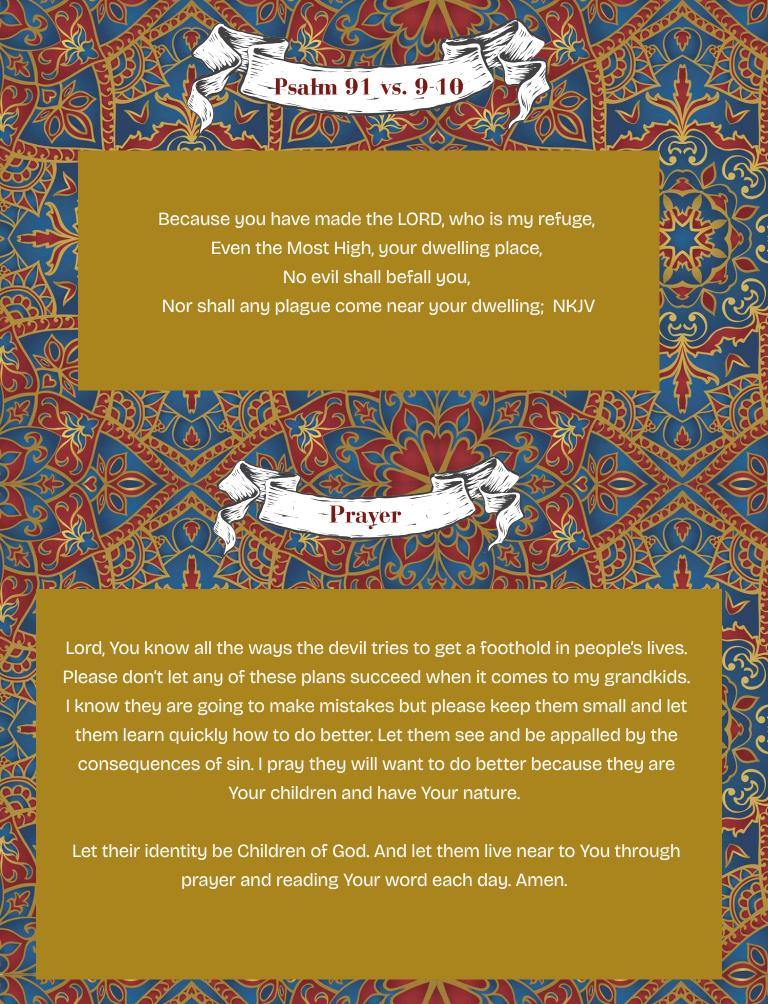

You shall not be afraid of the terror by night,
 Nor of the arrow that flies by day,
 Nor of the pestilence that walks in darkness,
 Nor of the destruction that lays waste at noonday.
 A thousand may fall at your side,
 And ten thousand at your right hand;
 But it shall not come near you.
 Only with your eyes shall you look,
 And see the reward of the wicked. NKJV

Lord God, thank You that You can see my grandchildren at all times. Lord, it's crazy down here in the world and we need Your constant help. Thank You for the times You have kept my grandchildren from accidents and dangers when we didn't even know it. In Your mercy, please shield them from contagious viruses and disease in their body.

Lord I pray that (grandchildren's names) will not be fearful. Bedtime, in particular, can be scary because it's dark and they are alone in their beds. Surround them with Your protection, Lord, and comfort them with Your Presence. Calm their racing minds and relax their tired bodies. Remind them that You can see in the dark and that our reward for staying close to You is the assurance that You are watching out for us.

You are faithful, day and night. Let them trust in You. Amen.

For He shall give His angels charge over you,

To keep you in all your ways.

In their hands they shall bear you up,

Lest you dash your foot against a stone.

You shall tread upon the lion and the cobra,

The young lion and the serpent you shall trample underfoot. NKJV

Lord, I trust in Your protection for my grandchildren. I don't know what danger they're in at any given time, but You do, and unlike me, You can dispatch angels to help them. Thank you for caring about these kids who are so important to me. You work in mysterious ways Lord. Whether it's angels intervening, or a person in the right place at the right time, I ask you to walk them through their day.

Lord let my grandchildren stay close to You in spirit today as we trust in Your care. Your word tells us that I can do all things through Christ who strengthens me (Philippians 4:13). I pray my grandkids will believe Your word and know that, with Your help, they can do the things they need to do, even when they're hard. Even better, I pray that they will grow up to do great things in Your Kingdom. Amen.

"Because he has set his love upon Me, therefore I will deliver him;
I will set him on high, because he has known My name.
He shall call upon Me, and I will answer him;
I will be with him in trouble;
I will deliver him and honor him.
With long life I will satisfy him,
And show him My salvation." NKJV

Father God, it is my strong hope that all my grandchildren will love You and seek Your salvation. I want them to be comfortable praying to You about everything so that You know them and can guide them. Lord, I know You have great plans for this generation of children and I pray every child on Earth will have the chance to hear about You and become part of Your future.

Show me how I can teach my grandkids about You in everyday encounters. Give me changes to tell them about You. Thank You Father that You love each of my children and grandchildren with everlasting love. Amen.
