

FRUIT OF THE SPIRIT PRAYER CARDS

Love

Holy Spirit, fill my grandchild's heart with your love. Let them love themselves and who You have made them to be. Use them to bring your love to everyone around them, and remind them that You love them and I do, too. Amen.

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. (Galatians 5:22-23 ESV)

Joy

Father God, I pray my grandchild will feel so joyful today that it bubbles out all around them. Let them appreciate the blessings You give them. Please do something special today to remind them that they are Your chosen children. May they be happy walking with You no matter if times are good or bad, and may they truly say, "The joy of the Lord is my strength."

Amen.

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. (Galatians 5:22-23 ESV)

PATIENCE

Lord, teach my grandchildren how to be patient. Their world is so fast paced with instant information and constant entertainment on their screens. Help them to put the noise of the world aside and focus on You. Develop their patience with their friends, siblings, even themselves. Show them how to trust Your timing. Let them mature into young adults who move according to Your Will in Your way. Amen.

Consistently kind because their heart is filled with Your love. Give them kindness with Your strength behind it. And I pray they will be aware of Your kindness to them. Amen.

Work in their hearts, Father, so that they are naturally attracted to good things and good people and are repelled by the bad. Let them work for positive change in their schools, the neighborhoods and their jobs. Let them be a light in the darkness by reflecting Your goodness.

Amen.

FAITHFULNESS

Jesus, Your Word says without faith, it is impossible for us to please You so please develop this quality in my grandkids. Cause them to be loyal, reliable and trustworthy to their family and friends, but most of all to You. I pray they will be like the faithful servant mentioned in Luke 12: watching and getting ready for Your return. May You find them faithful in good times and in difficulty. Thank You Jesus, Amen.

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. (Galatians 5:22-23 ESV)

GENTLENESS

God, the Bible says to treat others the way we want to be treated, and I pray my grandchildren would realize this means they must be gentle. Gentle with their words, respectful of their friends, kind to their siblings and pets. Teach them to control their strength, like a strong wind calming to a pleasant breeze. I pray they would find their example for humility and gentleness in Jesus, Himself. Amen.

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. (Galatians 5:22-23 ESV)
